Membership Fee 1999/- Yearly

Why we charge for membership?

1: Serious & Committed Members Only

Free groups often get scammed, inactive members, or people who never contribute.

A small fee filters out non-serious people, ensuring everyone in the community values networking and actively participates.

2: Funds to Run & Grow the Community

Platform & Tools (Zoom, WhatsApp/Slack management, Canva designs, ad campaigns)

Expert Sessions & Training from guest speakers

Moderation & Management to keep the group safe, scam-free, and productive

3: Real Value Exchange

Members are paying to gain more — in clients, followers, collaborations, and skills.

₹1999/year is tiny compared to the value of even one referral or sale.

This positions your group as a premium networking club, not just a casual WhatsApp group.
